

Loyal, Determined  
and Courageous.

Always be a Spartan!

What is Spartan  
Leadership?

Spartan Leadership

is being kind and  
respectful to others.

If you want to  
be treated kindly  
then you should treat  
others the same way.

You can show leadership  
by helping someone up if they  
are hurt or get a supervisor.

You can show it by not fooling  
around in the halls and being  
respectful to other teachers and  
parents in the building.
