Student Supplies 2025-2026 School Year

Dear Parents,

Students in Grades 6-9 will be responsible for purchasing their personal school supplies for the school year.

To ensure some level of standardization, teachers ask that you follow the "shopping list" below as closely as possible. If you are not sure about a particular item, please contact the school before purchasing it.

Please make sure you label your supplies with your child's full name before bringing them to school.

Students should bring their supplies with them on the first full day of school.

Please note that some homerooms will request their students to bring in specific items. Your child will be notified of these specifics once school starts.

Footwear - Students are asked to remove outdoor shoes when entering the school and use a clean pair for inside.

Gym strip - Students are required to change into shorts/sweats and a T-shirt for Phys.Ed. All participants must wear running shoes with non-marking soles in the gym. CW Perry specific gym strip will be available for purchase (includes Spartan t-shirt and shorts). These items will be available for purchase in September. For more details/explanation, please visit <http://cwperry.rockyview.ab.ca/publications/policies-procedures/gym-strip>

Locks for lockers – locks will be provided to students for \$10. These locks are then owned by the student.

***For Grade 6/7 students:**

Some teachers will be handing out a secondary list of supplies on the first day

Students in Grades 7-9 are asked to bring their own laptop/personal device for classes. Students that do not have a personal computer may request a loaner device from the school. Please contact Jim Reilly, Jana Popoff or Robin Sousa at (587)775-3523 for the appropriate forms.
